

## **Island Timberlands is looking for a Log Trader**

### **The Company**

Island Timberlands LP is a private timberlands business focused on growing and harvesting high quality timber and other forest products from coastal British Columbia for a broad customer base in the Pacific Rim region. Recognized as one of the best sources of high quality Douglas-fir, hemlock and cedar in North America, Island Timberlands has the second largest private timberlands holding (258,000 hectares) in British Columbia.

### **The Opportunity**

Reporting to the Manager Marketing the **Log Trader** is accountable for:

- ❑ Developing and maintaining customers in assigned geographical locations
- ❑ Assessing the market and participating in forecasting
- ❑ Working closely with company staff to maintain, develop and deliver log sorts
- ❑ Managing sales flow of select log products

### **Qualifications**

- ❑ Coastal log marketing experience and a BC metric scaling license are essential
- ❑ Quality control and knowledge of the local log manufacturing industry is preferred
- ❑ Valid BC drivers license and small craft operators certificate is required
- ❑ Exposure to international markets and a post secondary education would be an asset

The ideal candidate is comfortable contributing individually and as part of a team, is a strong communicator and has a sound understanding of coastal log markets.
